

**Solutions** you can count on

## LIBRARY INVENTORY SERVICES

Looking to gain better insight into your library assets? Physical inventory count allows for reconciliation of intra-branch transfers, documentation of current titles and reduces reorder requirements. WIS International can help prepare you for an accreditation visit and help fulfill requirements to document your library holdings. With more than 50 years of performing inventory services, WIS International has experienced personnel and the technical expertise for your next project.

### Benefits to Your Organization

**Independent Verification** – You'll have the confidence that comes from an unbiased, independent third party count.

**Accuracy** – Standardized counting procedures tailored to your individual requirements, specially designed data collection equipment, and experienced, trained personnel are just a few of our program features which ensure you of an accurate inventory.

**Cost Savings** – By using WIS International experienced personnel, you'll reduce your costs by eliminating overtime and other expenses, and free your employees to help your patrons.

**Hassle Free Service** – Our managers supervise the entire inventory, ensuring standard procedures are followed and that your needs are met. This allows you to be only as involved as you want to be.

**Timely Reports** – Final inventory information, tailored to meet your specifications, will be available in print or electronically upon completion of your inventory count.

**Identify Misplaced Resources** – Special reporting and the WIS International inventory process can help you:

- Identify and correct books shelved in the wrong locations
- Correct inter-branch transfer issues
- Identify items on your shelves that were not properly checked back into your system.
