WAREHOUSE INVENTORY SERVICES

WIS International provides inventory services to help count the items in your warehouse or distribution center without extended and costly facility closures. With more than 50 years of experience in the inventory business, and a staff of 14,000 employees, WIS International can meet your warehouse inventory needs. Leverage our skilled workforce to perform your next inventory.

Benefits to Your Business

Cost Savings – You'll save valuable down-time by using WIS International to count during off-hours, such as on a Friday night through Sunday.

Independent Verification – Third party service providers act as an independent check against your stated inventory value. As independent contractors, WIS International can supply you with a true and unbiased picture of your physical inventory that is widely accepted by external auditors.

Complete Geographic Coverage - WIS International offers coverage throughout the U.S. and Canada to meet your needs quickly and efficiently.

Skilled Labor Force – Physical inventory services are WIS International's specialty. Trained employees (not contractors) and managers perform inventories on a daily basis and are skilled in the techniques specific to warehouse and distribution center inventories.

Accuracy – You can count on the accuracy of our inventories, which results from experienced managers, auditors, customized count process, an audit trail, and a superior attention to detail.

Experience – Performing more than 200,000 inventories a year gives WIS International a wealth of experience that you can apply to your next warehouse or distribution center inventory.

About WIS International

WIS International has been delivering accurate results to many of the biggest names in retailing and manufacturing for more than fifty years. With more than 200,000 physical inventory counts taken every year, WIS International has become one of the industry's largest and most trusted suppliers of Inventory Counting Services worldwide. In addition, WIS International also provides merchandising services such as new product placement, point-of-sale display services, fixture installations and product recall return services.

PowerPartners™

The PowerPartners™ option combines the benefit of using your employees to perform inventory counts with WIS International equipment and an experienced Inventory Manager to lead the process.
